Gear for teams across sites.

Resonetics connects engineering, rapid prototyping and precision manufacturing. This collection gives teams across those settings a consistent look, with pieces selected for everyday use, travel and customer-facing events.

Welcome kits

Start with a polo or quarter-zip in the new hire’s preferred fit.

Customer visits

Give event teams a coordinated look with polos and lightweight layers.

Travel and recognition

Pair a durable bag with portable power or engraved drinkware.

Find your fit.
